EARLY RETURNS FOR ROOSEVELT

VOTE HEAVY IN ALL THE DOUBTFUL STATES

Democrats Make Gains in Various Sections of the Country, While Republicans Are Charged with Fraud in Delaware and New Jersey.

Indiana Breaks a Record, and West Virginia and Massachusetts Among the States Showing Cutting by Republicans—Good Weather Is the Rule

Every State in the Union sent reports of heavy voting to-day, the fine weather, which was general throughout the country, being in a measure accountable. There were few reports of disorder and not much talk of fraud. New Jersey, Delaware and a few counties in upper New York State were exceptions to the rule, the claim being made in Delaware that the Addicks men were using money freely, while in New Jersey it was stated that the voters were being deprived of the franchise by Republican tricks. Up the State trouble was reported over the effort to vote "floaters."

In all the doubtful States the vote was exceptionally heavy, that in Indiana being a record breaker. Both parties claimed the benefit in these. There was much scratching in West Virginia, said to be in Parker's interest, while Massachusetts hoped to elect a Democratic Governor. The Republicans of Rhode Island conceded the re-election of Gov. Garvin.

In the West Republican majorities were cut into, and in some States where the Democrats, unable to turn the vote to Parker, look to elect their governors.

In the South all the old-time Democratic pluralities were being rolled up, and Maryland was declared for Parker and Davis by a good margin.

Scratching, which was freely done, especially in the West, indicated that returns would be late.

The voting in Colorado was marked by bloodshed, two men being killed and several hurt in rioting in the Cripple Creek section.

TWO JUDGES KILLED IN COLORADO VOTING RIOT

Shot Down at Polling Place and Others Beaten and Thrown Into Jail—Deputy Sheriff Mortally Hurt.

CRIPPLE CREEK, Col., Nov. 8.—Two Democratic election judges were killed in this district to-day, a Peabody deputy sheriff was mortally wounded and a number of Democratic judges were beaten and thrown into jail. Ike Idebolt and Chris Miller, judges at Goldfield, were shot down by one of Sheriff Bell's deputies. They had ordered the deputy out of the polling place. He refused to go, and turning upon the judges shot and killed them.

At Midway, Ed Doyle, a deputy sheriff, assaulted Mrs. Kennedy, a Democratic judge, and in a struggle that ensued tore her dress and slapped her. Ed O'Leary, a Democratic watcher, interfered and shot Doyle, fatally wounding him. O'Leary was arrested. James Wafford, the deputy who killed the two election officers in Goldfield, was a Secret Service man during the military rule in the district. Miller and Idebolt were union men.

WATCH THE DOME!

M'ADOO STOPS A SMALL BOY RIOT

With His Secretary He Drives Off Crowd of 100 Who Had Stormed Restaurant with Stones, Sticks and Bars.

ARRESTS TWO OF THE LEADERS IN BATTLE.

Youngsters Beaten Off After Raid on Fruit Stand Return in Force, Wreck the Place and Roughly Handle the Owner.

Commissioner McAdoo and his secretary, William Howell, rescued a restaurant proprietor, Nathan Reich, of No. 11 Great Jones street, to-day when he was attacked by 100 boys with sticks and stones and crowbars. The relief came just in time, as one of the boys was swinging an iron bar at Reich's head.

The gang collected in front of Reich's place, where a fruit stand projects on the sidewalk. They evidently intended to carry off the stand when Reich rushed out and drove them off. Then the boys came back with missiles ready for a battle.

The windows were smashed and the front of the place bombarded. Many stones were hurled with such force that they penetrated to the furthest parts of the restaurant, where several persons were seated at the tables. Reich made a second attempt to beat off the boys and was roughly handled. He was hit over the head with a stick and stoned.

The Commissioner and his secretary were returning from their lunch to Headquarters, and got into the swirl of things. Mr. McAdoo grabbed a boy with a crowbar and Howell seized another. They took them to Headquarters, and then had them sent to Jefferson Market Court. The boys gave their names as Tony Dodge, of No. 27 Spring street, and Charles Congales, of No. 275 Elizabeth street.

IN A HURRY TO WED SO THEY ELOPED

Bride and Bridegroom, Who Are Prominent in Newark Social Circles, Kept Their Secret Since Last June.

(Special to The Evening World.)

NEWARK, N. J., Nov. 8.—The elopement and marriage in New York on June 29 last of Miss Pauline Morabach, of No. 414 South Seventh street, and Edward Neumann, of No. 20 Bergen street, young persons prominent in the social life of the "Hill" section of this city, leaked out this afternoon and created considerable wonderment and comment.

The young couple kept their secret until the dinner hour to-day, when at the noonday meal they announced to their respective parents the news of the wedding. They had tired of waiting for next spring, when the marriage was to have been formally celebrated, they said, and knowing that an earlier ceremony would be opposed, they concluded not to wait longer.

They each received a fearful fright, and will prepare to start house-keeping at once.

FALL BREAKS SKULL.

Boy Tumbles from Window and Lands on Fire-Escape.

John O'Brien, ten years old, of No. 600 West Forty-eighth street, fell from the fifth-story window of his home to-day and landed on the fire-escape on the second floor.

He sustained a compound fracture of the skull and was taken to Roosevelt Hospital in an ambulance.

KILLED IN TROLLEY CRASH.

CINCINNATI, Nov. 8.—Jos. Christian was killed and several other passengers injured in a trolley crash on Gilbert avenue to-day. A car ascending the avenue became unmanageable and ran backward, striking another car. In all six cars ran backward and struck each other.

PARKER MAKES BIG GAINS UP THE STATE

Ten election districts out of 3,024 election districts in New York State, outside of New York City, give Roosevelt 2,151; Parker, 2,102.

Same districts in 1900 gave McKinley 2,318; Bryan 1,868.

This shows a gain for Parker of ten votes to the precinct.

Similar gains throughout the State would give Parker a total gain of 30,000 votes in New York State outside New York City.

ROME, N. Y., Nov. 8.—Rome complete gives Roosevelt, 2,151; Parker, 1,918; Higgins, 1,945; Herrick, 2,115.

CHICAGO'S FIRST FIGURES.

CHICAGO, Nov. 8.—The first precinct in Chicago to report on the Presidential vote gave Parker 27, Roosevelt 192. It was the Twenty-second Precinct of the Seventh Ward. Voting machines were used. In 1900 this precinct gave Bryan 29, McKinley 206.
